

## **News from the Psychological Services Division: Fact Sheet**

*Last update: August 2016*

The Psychological Services Division provides a wide array of services to the Lake County Courts, Adult Probation Services, and Juvenile Probation Services. These services include conducting psychological evaluations, providing counseling to probationers and their families, consulting with probation staff, and coordinating referrals to and monitoring service contracts with community social service providers.

Amy Weltlich, executive assistant within the Division of Psychological Services was awarded the Finn/Anderson Leadership Award in February at the 19<sup>th</sup> Judicial Circuit's annual employee awards ceremony.

Katrina Haywood, MSW joined the Division of Psychological Services in May of 2016 as the new case manager for the Problem Solving Courts. Katrina supports primarily Mental Health Court by conducting mental health assessments, case management, and individual therapy to Court clients. Katrina's position was created by utilizing funds available via the Behavioral Health Treatment Court Collaborative grant.
