The Court will not review documents that are sent the night before or the morning of the hearing or the pre-trial, unless the document is an emergency motion on the call that morning.

Any matters proceeding to hearing or trial involving exhibits – the parties are required to abide by the following protocols as to their respective exhibits (absent specific advance orders by the court):

- 1) All parties must tender to opposing counsel or self-represented litigant, in advance of the Final Trial Conference (**pursuant to Local Court Rule 4-3.13**) for a matter set for trial, or a minimum of 5 days before a hearing of a matter which is not set on a trial call, photocopies of any/all exhibits which may be offered at said hearing or trial. Said exhibits must be labeled and a full comprehensive exhibit list must be tendered contemporaneously with said photocopies of said exhibits.
- 2) All parties must tender to the court, in the same time periods provided in #1 above, **hard copies** of the same exhibits as referenced in #1 above, including said comprehensive exhibit list. Emailed copies of such will not be accepted by court absent good cause shown.
- 3) For any hearing or trial which is conducted via Zoom, the parties are to have previously labeled copies of any/all exhibits which may be utilized by any witness as part of their testimony, accessible to said witness contemporaneously when said witness is testifying at hearing or trial. This can be accomplished by sending e-mailed attachments or tendering hard copies of said exhibits in advance to individual respective witnesses. This rule may be waived in the discretion of the court if good cause is shown.

BEYOND WHAT IS STATED ABOVE, DO NOT USE THE CC102 EMAIL ADDRESS TO COMMUNICATE WITH THE COURT, THE CLERK, OR EACH OTHER.

EFFECTIVE 5/9/2023
